

Bombardier Global 6500

The smoothest ride

Our Smooth Flĕx Wing is like an in-air shock absorber, engineered to help dampen turbulence for the industry's smoothest ride and the best wet and dry runway performance.

Comfort meets cutting edge

Our cabin is like an extension of your home, providing the cleanest, freshest air and true 4K cabin entertainment paired with the industry's most advanced cabin lighting and sound technology.

Peace of mind

Engineered for your comfort and confidence, our Global aircraft combine the safety of unbeatable all-weather performance with the security of the slowest landing speeds in their class.

#1 in product support

Bombardier is rated number one in the industry for product support[1], delivering the best customer service and support for your peace of mind.

As dependable as you are

Our Global platform is as dependable as you are, conquering the harshest conditions with unmatched reliability and mission-ready durability to keep you moving forward.

Pilot's paradise

Experience the comfort of an ultra-spacious cockpit and dedicated crew quarters with our Combined Vision System and the power of advanced automation to help you conquer the skies.
